

Part-time Contract Pediatrician - Greater Charleston, SC area

Role Description

This is a contract role for a contract house calls physician. As a contract physician you will have the opportunity to provide un-hurried, personalized medical care to pediatric patients in their homes, on your time. You will be responsible for conducting examinations, diagnosing and treating illnesses, prescribing medications as indicated, ordering and interpreting lab results as indicated, and providing medical advice and education to patients and their families. We function in the pediatric acute care/convenience care space only. We are not a full-service primary care pediatric practice. You will be seeing kids for typical sick visit diagnoses, like ear infections, Strep throat, pneumonia, and viruses, as common examples. This role is located in the general Charleston, SC area.

Qualifications

- Board certification in Pediatrics
- Excellent diagnostic and clinical skills
- Strong communication and interpersonal skills
- Ability to work independently
- Active and unrestricted medical license in S
- Willingness to think creatively and a natural problem-solver

Requirements

- This role requires a minimum commitment of an average of 9 hours of patient contact per week, averaged every 8 weeks. Our scheduling system is such that 9 hours = 9 patients. The contract physician has the autonomy to set their own schedule, as long as the average minimum number of weekly hours is met. There is no limit on the number of hours worked.
- Contract physicians are required to purchase and maintain their own malpractice policy
- Contract physicians are responsible for maintaining their licensing and board certification

Pay and Support

- Pay is on a per-visit basis, determined by the complexity and duration of the visit, as well as the distance traveled, weekday versus weekend, and time of day.
- Opportunities exist to pick up extra patient visits through a waiting list system
- Charting is done on a cloud-based electronic health record with mobile smart phone app
- Consumable supplies are paid for and replenished by Pediatric Housecalls
- Pediatric Housecalls will credential
- Payroll is direct deposit every 2 weeks
